

Opportunities for Career Growth

Schools District No. 52 (Prince Rupert) is located within traditional Ts'msyen Territory on the beautiful north coast of B.C. and services the small communities of Hartley Bay and Port Edward in addition to the city of Prince Rupert. Currently we have one secondary school, one middle school, five elementary schools, one store-front site and one "on reserve" school (Hartley Bay, K-12). Our student population is approximately 2,000 students, 60% of which are aboriginal.

Our small community boasts an excellent recreation facility (ice arena, swimming pool and gymnasium) an artificial turf field and rubberized track, 18 hole golf course, racquet centre, tennis court, museum, a 700 seat Performing Arts Centre, and incredible outdoor recreation such as fishing, boating, hiking and skiing right on our door step.

School District 52 is an exhilarating place to work where new ideas and opportunities are embraced. SD52 has often been described as "cutting edge" in terms of instruction and assessment practices and is well known for the forward thinking work of the Aboriginal Education and Learner Services Department and their initiative and involvement in many projects.

School District 52 currently has a continuing full time position for a shop teacher at Prince Rupert Middle School.
