Posting details for the Carpentry Instructor position for the Train in Trades (ACE IT) program hosted at North Delta Secondary – closes June 22 1.0 FTE

Tech Ed – Wood/Carpentry Semester 1

- 1 block ADST 8 (Wood & Maker Lab)
- 1 block Sr. Carpentry
- 1 block Jr. Woodwork

Train in Trades (ACE IT) Carpentry Semester 2

Train in Trades (ACE IT) Carpentry is a district program based at North Delta Secondary School. This is an Industry Training Authority (ITA) Designated Trainer program/facility that involves a combination of classroom theory and hands-on shop work each day. The five-month program runs during the second semester of the school year (February to June). Students are in grade 11 and 12 and have formally applied and been accepted into the program. Upon successful completion of the technical training, students are awarded 16 elective graduation credits and Carpentry Level 1 from ITA. Students will be enrolled in 4 blocks (full day) Carpentry-Joinery 12, Carpentry 12A, Carpentry 12B, Carpentry 12C. Additional WEX and Work in Trades (SSA) courses are encouraged.

Teacher responsibilities include:

- Teaching students, through theory and practical work, all aspects of Level 1 Harmonized Carpentry Apprenticeship for success in course work and the final ITA Exam.
- Transitioning the program to the Harmonized Level 1 with support of the Coordinator.
- Liaison with local carpentry trades and opportunities as well as real client project work.
- Work with students to promote continuation in the trade through possible Work Experience, SSA, and further Technical Training Levels.

Qualifications:

- BC Teacher Regulation Branch Certification
- Technology Education training and experience (preferred)
- Red Seal Carpentry Certification (ITA requirement)
- Five (5) years experience as a Journeyman (ITA requirement)
- Familiarity with and/or connection to the local carpentry trade (commercial or residential)
- Note: as a Designated Trainer, ITA approval is also needed for the instructor
